The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$750,000.00 for the Burrillville Field House Project in fiscal year 2025. The entity to receive funding for this project is the Town of Burrillville, located at 425 East Avenue, Harrisville RI 02830. The funding would be used for the construction of a new Field House building (locker room, restrooms, storage, utility controls) to support an artificial turf field project at the Burrillville High School.

The project is an appropriate use of taxpayer funds because town residents and students who attend community and recreational events will benefit from the field house building. The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,

Seth Magaziner
Member of Congress
