Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$500,000 for "Expanding Healthcare Access to Hope Valley, RI Residents" in fiscal year 2025. The entity to receive funding for this project is Wood River Health Services, Inc., located at 823 Main Street, Hope Valley, RI 02832. The funding would be used to expand the ability of Wood River Health Services to provide high quality, affordable medical, dental, behavioral health and social services to rural residents.

The project is an appropriate use of taxpayer funds because it will expand healthcare access to patients residing in small villages and towns in Washington County, many of whom are elderly and/or have some of the lowest incomes outside of urban areas. This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S.C. section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
