The Honorable James E. Clyburn
Ranking Member
Subcommittee on Transportation and
Housing and Urban Development
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$750,000 for the Burrillville High School Field House in Fiscal Year 2026. The entity to receive funding for this project is the Town of Burrillville, located at 425 East Avenue, Harrisville, RI 02830. The funding would be used for the construction of a new Field House building (locker room, restrooms, storage, utility controls) to support an artificial turf field project at Burrillville High School.

The project is an appropriate use of taxpayer funds because town residents and students who attend community and recreational events will benefit from the field house building. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
