The Honorable James E. Clyburn  
Ranking Member  
Subcommittee on Transportation, Housing, and  
Urban Development  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Womack and Ranking Member Clyburn:

I am requesting \$1,000,000 for the Town of Burrillville for the Senior Housing Water Infrastructure project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Burrillville, located at 105 Harrisville Main Street, Harrisville, Rhode Island 02830. The funding would be used to extend a waterline infrastructure to an affordable senior housing development.

The project is an appropriate use of taxpayer funds because it will support the development of sixty-four affordable senior housing units and provide a water infrastructure upgrade to the residents served by the water line, including seniors, children, and rural residents. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Seth Magaziner  
Member of Congress
