The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$500,000 for the Burrillville Handicap Viewing Plaza in fiscal year 2024. The entity to receive funding for this project is the Town of Burrillville located at 105 Harrisville Main Street, Harrisville, Rhode Island 02830.

The funding would be used to construct a handicap viewing plaza with adjacent handicap parking spaces, handicap drop off zone and handicap accessible viewing platform overlooking a planned artificial turf field. The project is an appropriate use of taxpayer funds because it provides a fully inclusive view for disabled and elderly residents to observe graduations, sport events, and other community events.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(5) and 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Seth Magaziner
Member of Congress
