Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$750,000 for the Town of Coventry Municipal Collection Facility Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Coventry, located at 560 Read Schoolhouse Road, Coventry, RI 02816. The funding would be used to establish a centralized municipal collection facility for efficient waste management, storm debris management, and infrastructure material storage.

The project is an appropriate use of taxpayer funds because it will help reduce waste management costs, enhance environmental sustainability, and improve the town's ability to respond to weather-related events. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
