Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$1,000,000 for the Conley Stadium Improvement Project for Fiscal Year 2026. The entity to receive funding for this project is the Town of Providence, located at 25 Dorrance Street, Providence, RI 02903. The funding would be used to make improvements to the Providence Public Schools Conley Stadium and make critical safety and accessibility repairs to an aged concrete bleacher structure.

The project is an appropriate use of taxpayer funds because it will address safety and accessibility challenges for a stadium that serves the Mount Pleasant High School, the larger Providence Public Schools system, and the surrounding community. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
