Housing and Urban Development

Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$1,500,000 for the Wood Street Stormwater and Flooding Mitigation Project in Fiscal Year 2026. The entity to receive funding for this project is the Rhode Island Department of Transportation, located at 242 Wood Street, Coventry, RI 02815. The funding would be used for sidewalk replacement, roadway reconstruction and paving, and stormwater controls and repairs to prevent flooding on Wood Street in Coventry, Rhode Island.

The project is an appropriate use of taxpayer funds because it will enhance community resilience and safety in an area subject to repeated flooding. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
