Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$1,250,000 for the Enhancing South Kingstown Town Beach: Resilience and Accessibility Upgrades Project in Fiscal Year 2026. The entity to receive funding for this project is the Town of South Kingstown, located at 719 Matunuck Beach Rd, South Kingstown, RI 02879. The funding would be used to enhance the resilience and accessibility of South Kingstown's Town Beach, including relocating an existing playground and restroom facility vulnerable to storm damage, making Americans with Disabilities Act accessibility enhancements, and implementing various shoreline resiliency measures to restore and fortify the coastline.

The project is an appropriate use of taxpayer funds because it will help protect public infrastructure, promote accessibility, preserve a valuable public asset, enhance community resilience, promote environmental sustainability, and improve quality of life for residents and visitors. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
