Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$1,000,000 for the Affordable Housing & Community Center Development Project in Fiscal Year 2026. The entity to receive funding for this project is the South Kingstown Housing Authority (SKHA), located at 364 Curtis Corner Rd, South Kingstown, RI 02879. The funding would be used to construct a community center that will enable SKHA to provide wrap-around services and case management on site, and serve as a meeting space for residents.

The project is an appropriate use of taxpayer funds because it will enable numerous families and individuals to access needed resources and move towards enhanced self-sufficiency. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(4) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
