The Honorable James E. Clyburn  
Ranking Member  
Subcommittee on Transportation, Housing, and  
Urban Development  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Womack and Ranking Member Clyburn:

I am requesting \$900,000 for the Town of West Warwick for the Horgan Park Inclusive Play & Recreation Upgrade in Fiscal Year 2027. The entity to receive funding for this project is the Town of West Warwick, located at 1170 Main Street, West Warwick, Rhode Island 02893. The funding would be used to manage storm water, replace aging equipment with ADA-compliant play structures, durable court resurfacing, and an ADA-compliant loop trail to encompass the project area.

The project is an appropriate use of taxpayer funds because it will provide long-term public benefits, providing safe, equitable recreation, promoting public health, and outdoor education for local elementary schools and the broader community.

The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2) and 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Seth Magaziner  
Member of Congress
