The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting \$475,000 for the Foster Emergency Services Communications Project in fiscal year 2026. The entity to receive funding for this project is the Town of Foster located at 181 Howard Hill Rd, Foster, RI 02825.

The funding will be used to upgrade the Town of Foster's emergency services radio communications equipment to 800 MHz radios to improve interoperability with statewide public safety systems. The project is an appropriate use of taxpayer funds because it will enhance public safety and emergency response capabilities for residents.

The project has a Federal nexus because the funding provided is for purposes described in: section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,
