The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,600,000.00 for the Garden Street Flood Mitigation Project in fiscal year 2026. The entity to receive funding for this project is the City of Cranston, located at 869 Park Avenue, Cranston, Rhode Island 02910. The funding would be used to install bioretention basins to control stormwater in an area of the City that's prone to flooding. The project is an appropriate use of taxpayer funds because it will make a meaningful impact on controlling stormwater and limiting flooding.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
