The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,953,600.00 for the Town of Coventry's Wastewater Infrastructure Expansion in fiscal year 2027. The entity to receive funding for this project is the Town of Coventry, located at 1670 Flat River Road, Coventry, Rhode Island 02816. The funding would be used to design and permit the work needed to extend public sewer services to neighborhoods around Tiogue Lake. The project is an appropriate use of taxpayer funds because it will fund the essential planning and permitting needed to replace antiquated septic systems.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Seth Magaziner
Member of Congress
