The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,084,000.00 for the Town of Richmond's Public Water System Improvements in fiscal year 2027. The entity to receive funding for this project is the Town of Richmond, located at 5 Richmond Townhouse Road, Richmond, Rhode Island 02898. The funding would be used to make several critical improvements to the public water system infrastructure. The project is an appropriate use of taxpayer funds because it will ensure that the Town of Richmond is able to meet water quality standards and provide reliable access to clean drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Seth Magaziner
Member of Congress
