Dear Chairman Womack and Ranking Member Clyburn,

I am requesting \$1,400,000 for the West Warwick Housing Authority for Affordable Housing Accessibility and Resiliency Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the West Warwick Housing Authority, located at 62 Robert Street, West Warwick, RI 02893. The funding will be used to provide resiliency upgrades to affordable housing for low-income households, disabled individuals, and the elderly. The project will replace the old elevators and electrical service equipment at the West Warwick Manor and replace the emergency generator at Clyde Tower.

The project is an appropriate use of taxpayer funds because it will ensure residents have a working elevator and access to safe, reliable energy. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(4) and 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Regards,

Seth Magaziner
Member of Congress
