The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$2,500,000 for the West Warwick Wastewater Treatment Collection System Inspection project in fiscal year 2024. The entity to receive funding for this project is the West Warwick Regional Wastewater Treatment Facility located at 1 Pontiac Avenue, West Warwick, Rhode Island 02893.

The funding would be used to inspect, test, and clean sewer interceptors located within the Town of West Warwick to correct deficiencies within the collection system to prevent catastrophic failure and prevent sewage overflows entering the Pawtuxet River. The project is an appropriate use of taxpayer funds because it will help ensure the integrity of the public sewer system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Seth Magaziner
Member of Congress
